

**How to use this kit:**

1. Print out this template
2. Fill in the fields below
3. Store your kit in a secret, secure place

**1. Your password or password hint**

This password is used to generate addresses and encrypt your wallet. Do not show this to anyone.

**2. Recovery phrase**

The recovery phrase is your most important secret. This phrase will allow you to recover all of your funds in the event you lose your password, your phone or your pc. Do not show this to anyone.
